HAPPY EVENT AT BEAVER POINT

By Review Representative

BEAVER POINT, Aug. 21. — Mr. and Mrs. J. J. Russell, Beaver Point, celebrated their golden wedding on Saturday afternoon, Aug. 16th, at their home with some 40 guests present. The reception was held under the trees in the grounds where the happy couple welcomed their many guests and received their good wishes and congratulations. Many flowers and beautiful gifts were received by Mr. and Mrs. Russell.

Mrs. G. W. Allison, of Victoria, a daughter, assisted by Mrs. W. H. Lee, looked after the tea, while Mrs. T. Hilliar, of Beaver Point, and Mrs. James Adams, of Montreal, two other daughters, waited on the guests. The table was prettily decorated in gold and white streamers with flowers of the same color, being most appropriate for the occasion. A large iced wedding cake was placed in the centre.

Mr. and Mrs. Russell came to B.C. from the Old Country and were residents of Victoria and later at Cedar Hill for 45 years, making their home eventually at Beaver Point some years ago.

Three daughters and four grandchildren were present: Mrs. James Adams, of Montreal and Mrs. J. W. Addison, of Victoria and their two children, Katharine and Jack, and Mrs. T. Hilliar, of Beaver Point, with her two children, Wilfred and Frank.

Among the guests present were: Mrs. Wm. Paterson, Miss Ivy Isherwood, Mr. and Mrs. H. B. Ruckle, Nan and Helen Ruckle, Mrs. Gordon Ruckle, Mrs. Alfred Ruckle, Miss Margaret Monk, Mr. J. Monk, Mrs. C. Menhinick, Mr. and Mrs. James Pollok, Mr. A. Kittan, Mrs. A. McLennan, Mr. and Mrs. D. S. McLennan, Mrs. F. Pyatt, Mrs. Ayers, Mr. and Mrs. W. H. Lee, Arthur and Alma Lee, Mrs. J. Mout, Rev. Wesley Millar, Mr. Oliver Mout, Mr. Manson, Mrs. T. Hilliar, Wilfred and Frank Hilliar, Mr. and Mrs. G. W.

To Honor Pioneer

Mr. J. T. McIlmoyl, who will have reached his 90th birthday next Sunday, will be honored by the Saanich Pioneer Society at a reception to be held in the Agricultural Hall, Saanichton, Sunday from 2 to 5 p.m. All his friends, and especially pioneers, are cordially invited to attend. Mr. McIlmoyl was a pioneer resident of Saanich and at one time a member of the Legislature.

COUGAR IS SHOT ON COAL ISLAND

At 1:30 o'clock Monday morning Mr. and Mrs. S. Fairclough and son Roland, residents of Coal Island, were roused by an unusual disturbance. One of their dogs, chained just outside the house, suddenly became inspired to leap through the open window and did so by breaking the chain. The pet bow-wow's sudden inspiration was formulated in lightning-like rapidity when a cougar happened along and decided the chained pup would make a choice meal for the early morning. Roland did not take kindly to the idea of this meal either and forthwith produced the artillery in the shape of a shotgun with number seven shot and at point blank range (about 15 feet) let loose a broadside that played havoc with the enemy's inner workings, in fact put an end to the career of the big cat. Later in the day the animal was brought over to Sidney (Beacon Avenue wharf) where it was the centre of attraction to many residents and visitors. This was a young cougar but weighed 118 pounds and was 6 feet 2 inches in length from tip to tip. Coal Island is about a half mile from the Saanich Peninsula and it is thought the animal swam over during the night in search of prey. It was in fine condition and had evidently been doing well on young deer and sheep.

Allison, Victoria, and Mrs. James Adams, of Montreal.

SCOUT DISPLAY REGATTA DREW LARGE CROWD ON WEDNESDAY

Next Wednesday afternoon, Aug. 27th, from 2 to 6 o'clock, at the home of Mr. and Mrs. F. Duff, School Cross Road, the Boy Scouts and Wolf Cubs are putting on a display of their scouting activities.

Preparations have been going forward for some time for this affair and a very pleasant and instructive afternoon is promised all attending.

In addition to helping along with the funds for their winter program, this display is being put on to try and show the people of the district some of the things that a Scout and Cub learns to do. During the year an intensive program of training is carried out, in which the boys are taught to be self-reliant and useful to others by knowing how to do things and by teaching him to use his hands with his brain he becomes a better citizen. It is hoped through this means to gain the much needed active support, not only of the parents of the Troop, but of the rest of the people of the district.

Besides the display there will be a number of stalls and amusements such as the ever popular "Fish Pond," "Aunt Sally," home cooking and candy. During the afternoon fortunes will be told by Mrs. Livesey, who has very kindly offered her assistance. The Girl Guides will be present also to help with the tea arrangements.

This affair is worthy of everyone's support and it is hoped that everybody will make a special effort to be present some time between 3 and 6 o'clock on Wednesday afternoon.

ROAD WORK PROGRESSING

Work on the sidewalks and roads in Sidney and district is proceeding rapidly. Repairs are being made on damaged sections of the sidewalks in preparation for another coating of hard surface material. The roads are being tarred and sanded and will soon be in excellent shape.

About \$40 was cleared. A delightful supper was served, also ice cream and cigarettes which were appreciated by the jolly crowd of dancers. Clans to Carry Fiery Cross at Banff

When the Highland Gathering and Scottish Music Festival is held at the Banff Springs Hotel, August 23 to September 1, under the patronage of H. R. H. the Prince of Wales and the auspices of the Canadian Pacific Railway, one of the high lights of this great annual gathering of the clans will be the Fiery Cross race, reminiscent of the days when the clansmen were summoned to war by runners carrying a burning torch through the glens.

Seventeen Highland Regiments in Canada have trophies. Lads and lassies dressed in the kilt will perform, reels, sword dances, and Highland fling. The best Scottish athletes of the

Dominion have been rounded up for the traditional caber-tossing game, such as putting the "stone," and tossing the caber, as well as the more usual track and field events.

The musical programme this year will be concentrated on the songs of Robert Burns and two ballad operas incorporating these songs will be presented, one entitled "The Assured Highlander," written by J. P. MacPherson with arrangements by Healey Willan, distinguished Canadian composer, and the other Burns' own version of "The Jolly Beggarman." The Alfred Mowbray Light Opera Company, now presenting a two-month season of Galliano and Old Pechesky appears at the Banff Springs Hotel, will supply the artists for these productions.

Cutting Down Travel Time

No matter how anxious travellers may be to speed out their holiday to the ultimate minute they always manifest a certain amount of impatience when once they have left their ship and the formalities of Customs inspection necessitate a slight delay on the pier.

The answer to this is the new service at Montreal and the Canadian Pacific Steamships are co-operating in a new service to receiving passengers. On the four scheduled 20,000-ton Duchess liners — Duchess of Athol, Duchess of Bedford, Duchess of Devonshire, and Duchess of York, the largest liners in the world — the Customs officers, baggage checkers, and porters meet the ship at Quebec, and the passengers are taken to the hotel at Montreal.

Customs examination of heavy baggage is carried out on the ship during the 10-hour voyage from Quebec to Montreal, baggage is checked through to its destination and the passenger is enabled to walk off the ship, pause but a moment while hand-baggage is looked over, and proceed direct to the waiting train.

Photos show scenes at the inauguration of the new service on the Duchess of Richmond, recently launched in hand the fair traveller is offered the honey-mooners, Customs inspection over, are checked to sail direct to Montreal, Customs officers, baggage checkers, and porters meet the ship at Quebec, and the passengers are taken to the hotel at Montreal.

SUPPORTING HOME INDUSTRY

The principle of encouraging closer co-operation between the people of the cities and towns and of the rural districts is growing in favor. In this community several efforts have been made in the past to promote better understanding, friendliness and the spirit of helpfulness, with considerable success. This effort should be revived and continued. It will mean much to the common good of all the people of this community and of this trading area.

What are you doing to boost your community?

ALL QUEER

Call a woman a chick and she smiles; call her a hen and she howls. Call a young woman a witch and she is pleased; call an old woman a witch and she is indignant. Call a girl a kitten and she likes it; call a woman a cat and she hates you. Women are queer. Call a man a gay dog and you flatter him; call him a pup, hound or a cur and he tries to alter the map of your face. He won't mind being called a bull or a bear, yet he resents being called a calf or cub. Men are queer.

FAIR DIRECTORS MET ON MONDAY

An enthusiastic meeting of the directors of the North and South Saanich Agricultural Society was held on Monday last in the Agricultural Hall, Saanichton, to make final arrangements for their annual fall exhibition, which is to be held on Tuesday and Wednesday, September 16th and 17th. It was stated that the cups, etc., for competition will be on exhibit in Victoria some time before the fair. There are 16 cups for competition and 32 medals.

Unusual interest is being exhibited in the cattle section, for in addition to an increase in the prizes, two additional classes have been added. His Honor R. Randolph Bruce, Lieut.-Governor of British Columbia, has donated a silver medal to be presented to the owner of the best female animal, any age or breed, dam and exhibited animal bred and raised by exhibitor. The other class is of interest to boys and girls under 16 years of age, who have raised a better calf, sired by registered bull, the calf to be under one year old. First prize is a silver cup presented by Mr. George W. Malcolm, of the Saanich Jersey Cattle Club, and the second prize a silver medal donated by Captain C. R. Wilson, "Heather Farm," Sidney.

An additional competition in the Highland events which has just been added, is a piping contest for pipers under 21. It is understood that young pipers will be coming from Vancouver to compete. The "Old-Times Quadrilles Competition," which is one of the main features in the Highland events program, is being looked forward to by old-time dancers with great interest, both from a spectator's and competitor's point of view. This competition is being encouraged and the prizes donated by the Saanich Pioneer Society.
